Cape Verde Republic

Mr President of the Republic,

We have been informed of your support to the international movement for the nomination of Creole cultures as a World Heritage by the UNESCO. We are very pleased with this decision.

Cape Verde, as the first Creole nation in the world, takes a historic step.

The Education League of Guadeloupe expresses its esteem and all its support.

We have also been informed of your intention to host a summit on Creolization between the end of this year and the beginning of next year.

The Education League of Guadeloupe congratulates you for this initiative. If an international symposium is organized on this occasion, we will be happy to involve Guadeloupean personalities, whether in person or in distance.

The Guadeloupe Education League promotes the international relations of our creole West Indies archipelago. We have established a sustainable partnership with Madagascar, and the Jubilee of the 70 years of our organization, in May 2022, had for godmother Ms.Emeline RAHOLIARISOA. In January 2023, we welcomed a State delegation from the Republic of Seychelles in mission to Guadeloupe, led by Mrs Miera SAVY.

We are at your disposal to study any form of partnership with Cape Verde.

Yours faithfully

Alcide Savinien DONNAT

Président
